## EARLY SHOPPERS' NEEDS FILLED AT SILVA'S TOGGERY

Women as well as men are evidently finding a satisfactory assortment of gifts suitable for menfolk at the popular Silva's Toggery on King street. Mr. Silva states that his business for the pre-Christmas period has been better than ever before, and that every sign points to the briskest of holiday seasons.

In accord with other progressive merchants, Mr. Silva is a firm believer in encouraging the "shop early" movement. To this end he has insisted upon early shipment of his holiday merchandise so that he might have his stocks in the best of order and so arranged as to facilitate to the greatest possible degree selection on the part of the gift purchaser.

A great deal of this early buying at the Toggery, according to Mr. Silva, is due to the clerks' familiarity with the merchandise in every department, and familiarity with the tastes and needs of the customers. Shoppers are quick to take advantage of this time and worry saving feature of the Toggery.

Notwithstanding the heavy selling in Christmas goods, a look about the store shows no impairment of the assortments, besides which new goods are being received by every steamer.

The Canadian steamer Dunelm, which left Sydney, N. S., on Oct 16 for Manchester, England, is thought to have been lost as she has not been reported since. The Dunelm had a crew of 25 men.

(Special Star-Bulletin Correspondence)

SCHOFIELD BARRACKS, Dec. 9.—Colonel L. W. V. Kennon, 25th Infantry, received notification yesterday by cablegram of his being relieved from assignment to the 25th Infantry, and has been attached to the 26th Infantry with headquarters at Harlingen, Texas. Colonel Kennon has been in command of the 25th Infantry since June, 1912, and came to Hawaii with that regiment from Fort Lawton, Wash., in January, 1913. He is at present in command of the 1st Hawaiian Brigade, and has frequently been in command of the big garrison. It is a source of great regret to his own regiment, and to the entire post as well, to have Colonel Kennon depart. He will leave on the next transport.

The consolidated morning report for Schofield Barracks yesterday showed 154 officers and 5302 enlisted men present for duty. Present and absent there are 206 officers and 5636 enlisted men. Animals used in the government service at Schofield are as follows: Mules 276, public horses 1668, private horses 116. The 1st Infantry has at present a few more men than the 25th, with 1833 present for duty as compared to 1795. The 4th Cavalry has 887 enlisted men present and the 1st Field Artillery 865.

Lieut. Eley Denson, who has charge of the 25th Infantry cantonment hall, has planned an entertainment for this evening that is certain to prove popular. There will be a number of boxing exhibitions. Among other features, Fred Dyer, the Australian welterweight, will box two men of the 25th Infantry. Grant of A Company and Thompson of H Company.

1st Lieut. Jerome G. Pillow, 4th Cavalry, has been detailed as a member of the special courtmartial appointed by par. 2, S. O. No. 180, Headquarters, 4th Cavalry, to take the place of 2nd Lieut. Harry A. Flint in the case of Private Frank Bernatchez, Troop H, Lieut. Flint being the accuser in this case.

Corporal John Hofrichter, Machine Gun Platoon, 4th Cavalry, has been ordered to proceed to Fort Shafter for the purpose of conducting to Schofield Barracks Private Gaudin, belonging to the same organization, and in confinement at Fort Shafter.

A big change has been made in the headquarters detachment of the 1st Field Artillery, seven privates having been returned to duty with their batteries, and fifteen detailed from the several batteries for duty in the headquarters detachment.

Private Harry A. Welmer, Company F, 1st Infantry, has been ordered to proceed to Fort Shafter for the purpose of receiving and conducting to Schofield Barracks General Prisoner William J. Day.

Corporal C. Laffer has been appointed sergeant in the 1st Field Artillery band, vice Martens, discharged. Private Henry Kramer has been appointed corporal, vice Laffer, promoted.

2nd Lieut. Frank V. Schneider has been relieved as assistant coach of the 1st Infantry football team by special orders from 1st Infantry headquarters.

Major B. J. Edger, Medical Corps, now occupying quarters in the Cavalry Artillery cantonment, will change station to Fort Shafter on December 20.

The athletes of the 1st Infantry are beginning to train for a field meet to be held by that regiment on December 30.

## ARMY NOTES

Col. Lyman W. V. Kennon, commander of the 25th Infantry, has been ordered to join the 26th Infantry, now on the border near Brownsville, Tex. Col. Kennon has been in command of the post at Schofield Barracks, and will continue in command until the arrival of Brig.-gen. Frederick S. Strong. Col. and Mrs. Kennon will probably sail for the mainland on the January transport. No orders have been received in regard to Col. Kennon's successor in command of the 25th.

## TAG DAY THIS MONTH TO RAISE FUNDS FOR GIFTS TO BELGIANS

To secure funds with which warm clothing may be purchased and sent as a Christmas gift to the Belgians, a second Belgian tag day is to be held in Honolulu on December 18. Mrs. Dorothea Emerson being head of the committee. On this day ladies and girls will be on the streets offering little bows of the Belgian colors for sale. They will work from 8 o'clock in the morning to 3 o'clock in the afternoon. Some of the bows are to be worn on the coat while others are larger and intended as decorations for automobiles.

The run of blueback salmon in waters tributary to the Alaska stations of the United States bureau of fisheries has been declining for the past four years. The shortage at Afognak is attributed primarily to the presence of large deposits of volcanic ash as a result of the eruption of Mount Katmai in 1912. The increasing number of traps has affected Yes bay and Yes lake.
